OPRS FOUNDATION

SENIOR INDEPENDENCE

*It all began with a little girl...and the selflessness and perseverance  
of the people who knew and loved her.*

*The year was 1922.  
In the aftermath of  
the untimely death  
of 7-year-old Dorothy  
Love, members of  
the Sidney, Ohio  
community where  
she had lived came  
together to create a  
legacy that would  
honor her for  
decades to come.*

# 90 Years

As we celebrate the 90-year anniversary of Dorothy Love Retirement Community, the cornerstone of Ohio Presbyterian Retirement Services (OPRS), we can proudly reflect on that legacy and the difference OPRS has since made.

From our humble beginning serving 23 older adults in 1922, we've had the opportunity to care for countless residents and clients. Through this privileged responsibility, we've earned a strong reputation for quality, maintained a steadfast commitment to our mission and developed a comprehensive footprint of support in 38 Ohio counties.

As we look toward the future, we are positioned well through our 11 OPRS Communities and our seven home and community based service regions to strengthen our commitment to the greater communities we serve. We anticipate new relationships with future residents, clients and their families; potential service and care expansion opportunities within both existing and new markets; and nurturing our ongoing commitment to the more than 3,000 OPRS employees statewide. But most of all, we're excited to carry the legacy of the past 90 years into the next 90 years and beyond.

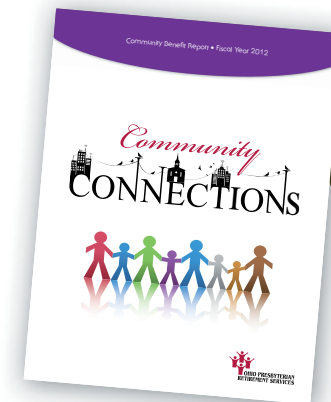

*Another way OPRS lives out its mission is through its ardent dedication to social accountability – the community benefit that is provided above and beyond the services that are paid for. Over the course of this fiscal year, \$15,132,730 was given back in total community benefit. The highlights and stories of OPRS' social accountability can be found in a separate report, which is a companion piece to the OPRS annual report.*

## ETHICS & COMPLIANCE

Long before the U.S. Department of Health and Human Services' Office of Inspector General (OIG) recommended compliance programs in health service providers, OPRS had a philosophy and structure for the way ethics and compliance would be cared for within the organization. In the pursuit of ongoing improvement, we proudly continue to grow and make compliance improvements in structure, policies and practices. Additionally, whenever new legislation and requirements are introduced, we are conscientious about understanding and fully incorporating those new elements into our business practices.

**We believe that compliance is everyone's job. Consistently on our employee opinion surveys, our staff awards us the highest scores in being an ethical and compliant organization. Together, we achieve excellence in this area.**

In various publications, we remind volunteers, donors, staff, residents and clients of our important ethics and compliance contact information.

The Ethics & Compliance hotline is a 24/7 confidential resource and can be reached at 1.877.780.9366. Additionally, the Ethics & Compliance Officer Dana Ullom-Vucelich can be reached at 1.800.686.7800 ext. 151.

(in thousands) **Year Ending June 30, 2012 (Unaudited)**

Please refer to the chart to the right, which summarizes the OPRS operating results. The following are comments specific to each operational component for fiscal year 2012:

## Retirement Community Operations

In spite of an 11 percent reduction in Medicare reimbursement and the startup of new and expanding operations at a number of locations, OPRS Communities realized a slight operating gain of \$4,000 for the year. This was prior to the proactive adoption of impending accounting changes for the recording of refundable entrance fees.

The result of this early adoption of the mandatory change in accounting for refundable entrance fees resulted in a \$671,000 reduction in operating revenue for 2012.

## Non-Operating Gains (Losses)

The OPRS Foundation achieved \$7,669,722 in total giving in fiscal year 2012.

## Community Based Services Operations

In spite of decreasing Medicare reimbursement rates, staffing transition and increased competition, Senior Independence had an actual operating loss of \$379,000 on net revenues of \$42.5 million, which varied unfavorably from budget.

## Building Partnerships

With 90 years of history and experience, OPRS Communities looks to partner with other organizations to not only increase our own knowledge base, but to share our knowledge with others.

This year, Breckenridge Village took part in two research studies in coordination with Hearthstone Alzheimer Care. The studies were funded by the National Institute on Aging and were focused on seeing if people with Alzheimer's disease or dementia could continue to participate in meaningful activities at different stages of their disease.

Mount Pleasant also had a unique collaboration. Members of Mount Pleasant's staff teamed up with Atrium Medical Center, a local hospital, to offer two informational classes to residents and those in the greater community. The first was a pre-surgery class to help prepare orthopedic surgery patients for what to expect before and after their joint surgery. The second class centered on heart failure to help reduce cardiac-related hospital re-admissions.

## Introducing My Independence

A collaboration between Senior Independence and OPRS Communities, My Independence provides a variety of services to independent living residents on OPRS Communities campuses. On May 17, this program was officially launched at Dorothy Love and will be coming to additional OPRS Communities in the near future. Through My Independence, residents can receive services at an affordable cost while living in their apartments or campus homes. These services include light housekeeping duties, accompanying the resident to an activity or meal, moving in, managing medications and much more.

## Culinary Advancement

OPRS Culinary and Nutritional Services has raised the bar again this year by beginning the rollout of a Point of Sale, or pay as you go, system at OPRS Communities around the state. This system allows for greater flexibility and convenience for residents and better efficiency for the staff. With this system, residents may choose to eat in numerous different venues – whether it's picking up a dessert in the bistro, sitting down to an elegant dinner in the dining room or attending a catered event.

## *New Technology Helping to Improve Quality*

The Matrix Point of Care system was implemented around the state. This touch-screen, clinical charting technology allows nursing assistants, or anyone who gives direct care, to efficiently document detailed descriptions of the care they deliver. The Matrix Point of Care system also promotes more timely communication among the interdisciplinary team. Other features and benefits include precise documentation and therefore better care planning; increased time spent with residents; improved staff management; reduction in administrative costs; and real-time data sharing and communication.

## *Outstanding Satisfaction*

OPRS Communities surveys resident satisfaction on a regular basis. According to fourth quarter results for fiscal year 2012, residents discharged from OPRS health care centers had an overall satisfaction rate of 95 percent and 94 percent would recommend their community.

*Deficiency Free*

*Both Mount Pleasant and Swan Creek received deficiency-free Ohio Department of Health surveys in fiscal year 2012.*

# OPRS COMMUNITIES FINANCIAL PERFORMANCE

The expansion of the **Lake Vista** Health Center was completed in May 2012, which added 19 beds to its skilled nursing center. The addition created a distinct rehabilitation and therapy area with spacious private nursing suites that will greatly enhance the services provided at Lake Vista.

The **Rockynol** Chapel Connector was completed in November 2011, adding a much-needed worship and activity space to Rockynol's campus. This project was supported by

donations to the capital campaign. The addition provides a connection between the Rockynol assisted living and independent living apartments, along with a lovely chapel for campus residents and visitors.

Construction was recently concluded on the three-year renovation and expansion project at **Breckenridge Village's Fairmount Health Center and Nason Assisted Living**. The project, which was supported by capital campaign donations, added eight nursing units,

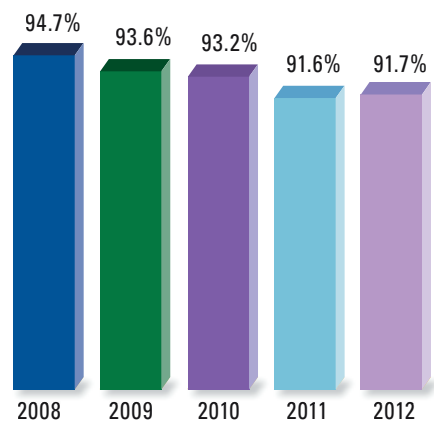

expanded the number of private nursing beds to create a distinct rehabilitation unit for the Fairmount Health Center, and added an additional six assisted living apartments and related activity/dining space to the Nason Center.

**Westminster-Thurber Community** completed the renovation of the third floor of the Westminster Terrace building in February 2012. This renovation added another 18-bed rehabilitation unit to the very

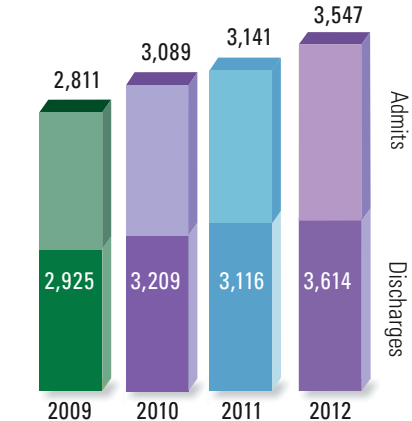

successful, 18-bed Rehab Studios that has been in operation for more than four years.

During fiscal year 2012, OPRS completed the acquisition of The Concord Apartments at **The Vineyard on Catawba**. The 40 affordable housing apartments have been managed by OPRS since 1997 when The Vineyard on Catawba campus was acquired.

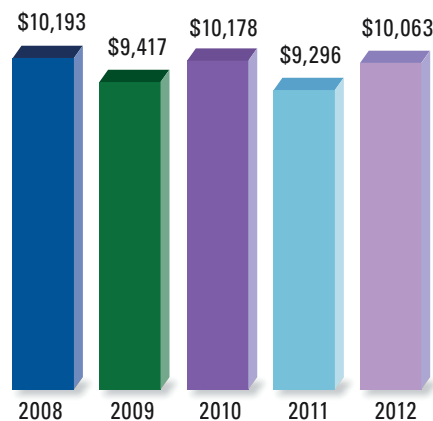

**CCRC Occupancy**

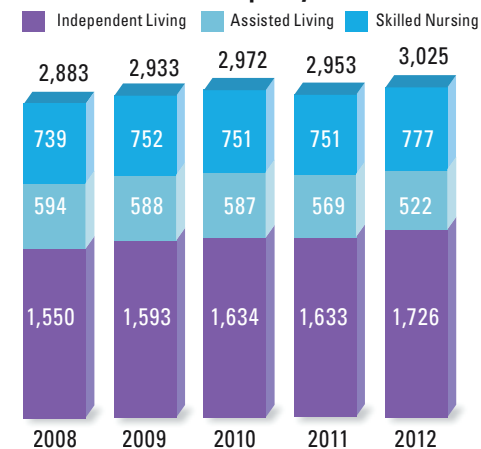

**Skilled Nursing Admits and Discharges**

**Capital Expenditures (000s omitted)**

**OPRS Communities Capacity**

*OPRS reinvested over \$12.9 million into its existing campuses system-wide through property and equipment renovation and replacement needs.*

# SENIOR *i*NDPENDENCE®

*Many changes have occurred over this past fiscal year that will have a profound effect on how we move forward over the coming decade, and Senior Independence feels well-positioned to continue to be a leader in the changing health care environment.*

Some of the more encompassing changes include new leadership. Peggy Bertels was named President of Senior Independence in February 2012. She brings a wealth of experience in the areas of hospice and home health, where she has overseen startup and ongoing operations, as well as quality and compliance for home health and hospice agencies across the United States. Under her leadership, Senior Independence has begun improving quality assurance processes to ensure that clients and families continue to receive quality care and services that help keep older adults safely in their own homes.

## Best Kept Secret – Adult Day Centers

Senior Independence Adult Day Centers continue to serve aging Ohioans and their families by providing daily skilled services and socialization. This is a great resource for caregivers who are sandwiched between caring for aging parents and their own children. Adult day centers offer added support and peace of mind by providing transportation and care to the elderly who may otherwise be isolated and alone during the day. Senior Independence Adult Day Centers served nearly 700 clients this fiscal year in 12 locations across the state of Ohio.

## iPartner Program Expands

The iPartner program is a national effort by Senior Independence to serve more people in more ways through partnerships with other not-for-profit organizations. Today, there are five iPartners that include Kendal Northern Ohio, McGregor, Redstone Presbyterian SeniorCare, Westminster Canterbury of Lynchburg, and the newest iPartner, Home & Community Based Services Initiative, a joint program of St. John's Lutheran Ministry, Billings Clinic and Big Sky Home Care in Billings, Montana. For several of the iPartners who are successfully providing home care and home health services, the next step is developing their own hospice programs.

## National Recognition

Senior Independence has once again been named to the HomeCare Elite™, a listing of the most successful home care agencies in the U.S. The regions that made this list are: Greater Cleveland, Central Ohio, Mahoning Valley, Miami Valley, Southwest Ohio and Greater Toledo. Two Senior Independence regions – Central Ohio and Miami Valley – were also named to the HomeCare Elite™ Top 500 providers across the country.

## Home Health & Hospice

A Tradition of Quality Care – The Greater Toledo Region received its fourth consecutive deficiency-free survey in December. The Ohio Department of Health (ODH) surveys are conducted on-site and are unannounced. These surveys include an audit of many patient records, as well as visits to patients' homes. A deficiency-free survey means that of the standards set by the ODH, all were met and/or exceeded.

## Sewing Our Veterans

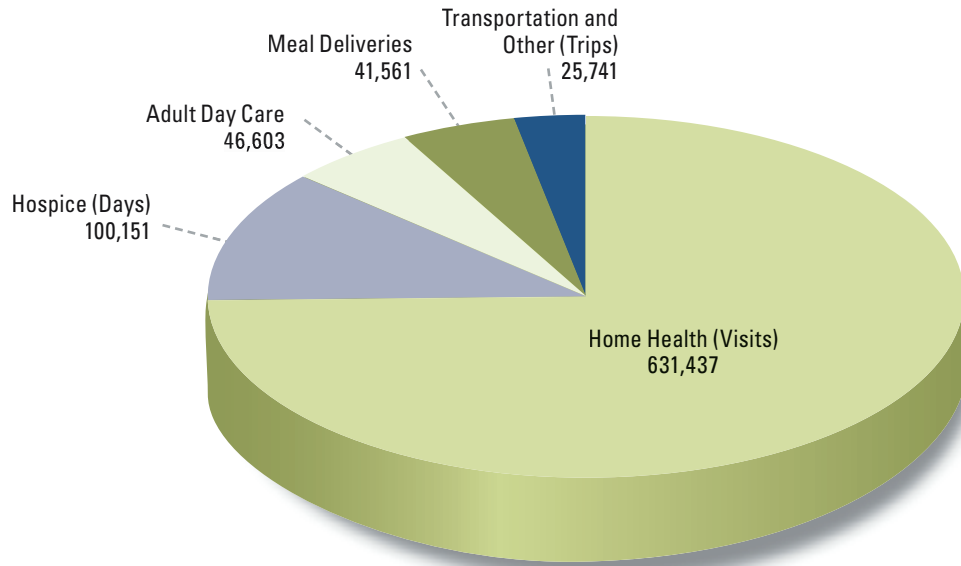

Senior Independence Hospice became Level One certified in We Honor Veterans, a program of the National Hospice and Palliative Care Organization in collaboration with the Department of Veterans Affairs. This program supports the needs of military personnel during end-of-life care, which can include identifying benefits, recognizing the service they have provided our country, and providing specialized counseling for closure with family and friends.

Photo recognized by the National Hospice and Palliative Care Organization (NHPCO). Daphne Massaro, volunteer coordinator and adult day center director for the Akron/Canton Region, took the photo entitled, "I Am Hospice and Palliative Care" during a Make it Happen event.

Additionally, a feasibility study was conducted at Park Vista for a capital/endowment campaign supporting a Lifelong Learning Institute. A \$1 million campaign was approved for Park Vista, to commence in fiscal year 2013.

- **Hospice fundraising continues to grow dramatically**, showing a 35 percent increase in the number of donors, a 31 percent increase in total giving and a 45 percent increase in number of gifts over fiscal year 2011. - **A Donor Recognition Task Force was convened** to evaluate all areas of the donor recognition program, resulting in a total replacement of the donor walls at OPRS campuses. This upgrade will not only improve the appearance of the donor walls, but the new system will also save the OPRS Foundation significant expenses in annual updates. Additionally, recognition displays will be provided for the first time to Senior Independence office locations.
- **Two building dedications were held** in fiscal year 2012, the final projects made possible by The Mission, The Vision, The Promise Capital Campaign.
