

# JOIN AN EXCITING INTERGENERATIONAL MURAL PROJECT!

In collaboration with Youngstown State University, Ohio Living Home Health & Hospice  
Community Enrichment Services and the Butler Institute of American Art

Are you interested in art, community, and meaningful connection?  
You're invited to be part of a unique mural project that brings  
generations together through creativity, storytelling, and collaboration!

## PROJECT HIGHLIGHTS

- Led by Professor Dragana Crnjak of YSU's Department of Art
- Part of YSU's Fall 2025 Mural and Site-Specific Painting class
- Focused on well-being, intergenerational learning, and celebrating community

## WHAT TO EXPECT

- Work alongside YSU art students
- Help design and paint a collaborative modular mural
- Learn about mural-making, share your story, and make new connections!
