“Our people are what make us great.”
While reflecting on a recent board retreat, I remembered a personal story shared by one of our board members. He spoke about how his life – specifically his volunteerism – was influenced by his mom’s dedication to her career. She awoke every day with a smile on her face and reveled in her work. One day, he asked her why she was so happy. She explained that she loved where she worked, what she did and who she worked with. And she loved that she could make a difference.

Where did she work? Ohio Living.

The sentiment that Ohio Living is a great place to work is one I’ve often heard and, in fact, it’s something I say myself, both personally and professionally. I’m proud to say that a new accolade has validated these claims: Ohio Living is Great Place To Work – Certified.

Designations like these don’t just happen by chance; they are earned by talented people who are committed to their professions and to each other. From colleagues of the past, to those present today, and to those who will carry us forward into tomorrow, one constant remains true: Our people are what make us great.

As you’ll see in the pages that follow, Ohio Living is a great place to live, to care, to work, to serve and to give. Through Ohio Living, we can all make a difference!
Financial Highlights for Fiscal Year 2018

Positives:
- Capital debt restructuring resulting in interest expense savings, smoother annual debt service, reduced renewal risk exposure and cost increase risk on long dated interest rate swap.
- Real estate tax value assessments and related appeals for targeted locations resulting in retroactive and go-forward savings.
- Ohio Living Home Health & Hospice generated a positive operating margin.
- Mount Pleasant Place apartments completely rebuilt and reopened in fourth quarter.

Challenges:
- Continued Medicare reimbursement funding cuts.
- Medicare advantage plans expansion paying at lower rates than Medicare.
- Federal government Medicare bundled payment incentives for acute care providers resulting in less volume or lower lengths of stay for post-acute care providers.
- New competition affecting occupancy.
- Increasing staffing pressures resulting in targeted wage increases, increased benefits offerings, and increased contracted nursing for certain sites.

Over the past few years, we’ve introduced you to our new brand and shared with you how we’re living that brand through the work we do every day, the quality care and services we provide, and the new partnerships we’re forming.

Now, we’ve taken that one step further by creating a Brand & Growth department whose sole responsibility is to nurture, support and grow Ohio Living.

Our first step was to promote Mica Rees to the new position of Chief Brand & Growth Officer. Her presence on the officers’ team brings Brand & Growth to the forefront, reflecting its importance to our organization’s future.

We also restructured our communications staff to form a new Creative Services team. Working closely with Mica, this group of communications, digital marketing, graphic design and public relations professionals acts as an in-house creative agency to support our overall storytelling, marketing and growth initiatives.

Next, we realigned all marketing staff within the organization. Reporting up to Mica through three regional directors of business development, the sales and marketing staff at our communities and Home Health & Hospice offices are now aligned into one cohesive team with shared objectives.

By combining our communications, sales and marketing staff into a centralized Brand & Growth department, we’ll be able to streamline our processes, resources and messaging. With this new department poised to tell our story and expand our reach, we look forward with great anticipation to what the future holds for Ohio Living.

“We like to think of our team as Ohio Living brand ambassadors – bringing all of our individual locations together to speak with one unified identity and voice.”

Mica Rees
Chief Brand & Growth Officer
A Great Place
To Live
Quality

Every day, our thousands of employees across Ohio work to provide a caring, compassionate experience to those we serve. We remain steadfast in our commitment to quality, and are pleased to share the following outcomes achieved in fiscal year 2018:

Four of our locations – Ohio Living Lake Vista and Mount Pleasant, and Ohio Living Home Health & Hospice's Greater Dayton and Greater Toledo regions – received deficiency-free surveys.

Eight of our life plan communities received five-star ratings from the Centers for Medicare and Medicaid Services, with the others receiving four stars.

Six of our life plan communities received an overall Top Performing rating from U.S. News & World Report's Best Nursing Homes. Ohio Living Cape May, Dorothy Love, Lake Vista, Llanfair, Mount Pleasant and Swan Creek were among 130 top performers out of the 945 that were rated in Ohio.

Culinary Excellence

Ohio Living chefs from across the state converged on the Columbus Culinary Institute to turn up the heat at the annual Ohio Living Culinary Competition. The chefs took part in a fast-paced, timed cooking challenge as they competed for gold, silver and bronze medals. It’s because of this commitment to excellence that national magazines and food service organizations placed Ohio Living’s exceptional culinary services in the spotlight in fiscal years 2017 and 2018.

New menu, inventory and production software by Sysco NetIMPAC will maximize efficiency for each of our communities’ culinary staff.

Ohio Living Breckenridge Village Chefs Matt Osolin and Ryan Wagner took the gold medal during the Association for Healthcare Foodservice Culinary Competition at their 2017 national conference in Washington, D.C. Because of their win, they were given the opportunity to judge this year’s competition.

Ohio Living Westminster-Thurber was voted the “Cbus Top Pick” for senior housing in Columbus, for the second year in a row. This was according to a readers’ poll conducted by The Columbus Dispatch.

Ohio Living Dorothy Love was recognized locally as the “Readers Choice” in the following categories: Skilled Nursing and Rehabilitation, Care Giver/Home Health, and Assisted Living/Extended Care.

Kettering Health Network and Premier Health recognized Ohio Living Dorothy Love for the quality of care provided to patients who have been discharged from those hospital providers.

Ohio Living Cape May, Lake Vista, Llanfair and Mount Pleasant received the Eli Pick Award for quality in skilled nursing services. Only 11 percent of nursing facilities in the entire U.S. earn this distinction from the American College of Health Care Administrators.

Ohio Living Westminster-Thurber celebrated the movie premiere of “Moonshine & Kafka.” Residents created this beautiful film with its heartfelt “never too late” message of hope.

Renovation & Construction

The apartment building lobby at Ohio Living Dorothy Love underwent a major renovation. The residents now have a chic, modern space called the Aspen Club to enjoy fellowship with friends and family, and the front lobby is warm and welcoming. This renovation was a $350,000 investment, funded by donors and capital dollars.

Ohio Living Swan Creek’s apartment building common spaces were upgraded. Areas such as the community/craft room and corridor were updated to complement renovations that had been done as part of a capital campaign.

Partnerships

Ohio Living Dorothy Love is a proud partner in “Workforce Partnership.” The West Ohio Development Council began an initiative to align the workforce and education systems to respond to the needs of local businesses and industry. Schools and industry will work together to build workforce training and 21st century skill-development programs that will prepare students and employees for current and future local jobs.

Ohio Living Dorothy Love partnered with the Upper Valley Career Center to train adult learners as State Tested Nursing Assistants. This new collaboration opened opportunities for Ohio Living Dorothy Love and Upper Valley Career Center to attract new people to the field of aging services.

Ohio Living Westminster-Thurber partnered with the Gateway Film Center to bring age-friendly screenings throughout the year. They were a big hit with residents, and their family and friends.
Ohio Living Park Vista Helps to Create Affordable Housing Community

In light of our rapidly aging population, we felt there was a need for more affordable senior housing. And since we already owned acreage in Youngstown, Ohio, adjacent to Ohio Living Park Vista, we thought it would be a perfect site. To accomplish this vision, we chose to partner with National Church Residences, which is the largest non-profit provider of affordable housing units for those age 55+ in the United States. Ohio Living Park Vista sold National Church Residences the land and worked hand-in-hand with them throughout the application process to acquire funding for this project.

The affordable senior housing community will be called Broadway Park and will serve residents age 55+ with low incomes. The building will be U.S. Green Building Council LEED-certified housing in an elevator-served building, and will have 60 one- and two-bedroom apartments. Construction has already begun and the project is expected to be completed by summer 2019.

Mount Pleasant Place North Apartments Re-Open! Staff Moves Residents Back In After Fire

After a fire swept through the north wing of Mount Pleasant Place on August 13, 2016, many residents were displaced – moving anywhere from skilled nursing, to assisted living and ranch homes, to staying with family and friends.

“That fateful night, bonds between staff and residents were forged. Ed Beck, Environmental Services Director, formed friendships as he helped to search for belongings and oversaw the reconstruction project along with Corporate Executive of Project Development Mark Roberts,” remembered Ohio Living Mount Pleasant Executive Director Stan Kappers. “Resident Services Director Renee Denney, along with Patti Allen, Devon Moyer and I all developed close relationships with residents and their families, and Renee and Patti spent the night of the fire rescuing medications and making runs for belongings whenever they could.”

Fast forward to May 2, 2018, as residents began the move back into their homes. They were eager to settle into their apartments, but there were only so many movers and elevators available. So once again the Ohio Living Mount Pleasant staff jumped in to help, working with residents and their families to get the most tenured residents moved back in first. After that, staff members moved residents in two per day for the next two weeks until everyone was back in their own home where they belonged.

“I can say this without reservation: these residents and their families that we got to know are our family, and when they were hurting we were, too,” Stan concluded. “We also celebrated their return and shared in their happiness with them. We are blessed with outstanding residents and staff here at Ohio Living Mount Pleasant!”

The affordable senior housing community will be called Broadway Park and will serve residents age 55+ with low incomes. The building will be U.S. Green Building Council LEED-certified housing in an elevator-served building, and will have 60 one- and two-bedroom apartments. Construction has already begun and the project is expected to be completed by summer 2019.
Quaker Heights Joins Ohio Living

Ohio Living is proud to announce the addition of our 13th life plan community, Ohio Living Quaker Heights. This like-minded community, with a long-standing reputation for excellence of care, will be a valued member of our ever-growing family.

“We are excited to bring Ohio Living Quaker Heights into our family, and are honored to partner with the residents, families, staff and board as we assist them with their mission in Warren County,” said Laurence Gumina, Ohio Living CEO.

The community is located on approximately four country-like acres in beautiful Waynesville, Ohio. Ohio Living Quaker Heights was founded by the Religious Society of Friends (Quakers) in 1905 as a charitable institution caring for elders, operating with the belief that all should be treated with dignity. Today, it is a life plan community providing assisted living, long-term nursing care, memory care and short-term rehabilitation.

Sydney McBride, Ohio Living Quaker Heights Executive Director, stated, “We’re thrilled that we chose to partner with Ohio Living, an organization closely aligned with our organizational culture and values, to ensure that the mission of our community will grow.”
A Great Place To Care
Hospice Program Continues to Grow

As more people choose to receive care in the place they call home, Ohio Living Home Health & Hospice is poised to meet that need.

Each of our locations has grown organically over the past few years following our transition to a more unified brand. We’ve seen a rise in home health and hospice patients from our own life plan communities as residents become more aware of the full line of services Ohio Living offers. Specialized training for sales staff has also led to enhanced relationships with referral sources and increased confidence in our quality.

All of this has led to more demand for our services, with average hospice daily census increasing to 340 patients in fiscal year 2018, from 309 the previous year.

TENDER. It’s not just a word . . .
It’s the way we care for our patients every day.

As our hospice patients go through their final days and hours, we send in a special team to comfort, calm and ease fear and pain. We call it Tender Moments.

It’s a common misconception that hospice means around-the-clock care for the last few days of life. In fact, this extended comfort and companionship by specially-trained nurses and aides is well beyond what is covered by standard Medicare and Medicaid reimbursements. At Ohio Living Home Health & Hospice, generous grant funders pay a portion of the cost for up to three days of 24-hour patient care, as well as guidance and comfort baskets for family members.

The Tender Moments on-call team responds during the patient’s final hours. They sit with the patient and attend to their needs, and also assist the family by providing comfort care items, support and education about the timeline and physical stages of death.

Team approach
• Coordination of all care
• Our patients’ needs come first
• Consistent care teams

Excellence in care
• Eliminate pain and suffering
• Hospice staff are professionally certified
• Emphasis on individualized, holistic care

Needs are patient-centered
• Ask daily, “What’s the most important thing I can do for you today?”
• Always consider the family’s needs
• Provide culturally-sensitive care

Dignity in death
• Mindful presence and companionship during time of death
• Assure a desirable environment based on patient and family
• Guide and educate on comfort care

Exemplary response
• Keep two-hour referral response promise
• Honor patient and family schedules
• Always visit when called

Reverence
• Be mindful of each patient’s faith journey
• Inquire with patient first, if possible
• Foster right to self-determination
Our Greater Youngstown region had much to celebrate for a job well done with eight team members winning annual Core Value Awards. In addition, Dr. Heather Hrina-Medvec was named HOPE Lifetime Achievement Honoree at The Hope Foundation of the Mahoning Valley’s Wine for Hope event.

Supporting the LGBTQ community: The Greater Akron and Greater Cleveland offices proudly sponsored “Reaching Out – Spirituality and the LGBTQ Community.” Keynote speakers addressed the topic: “Strengthening and Serving LGBTQ Individuals & Communities: Spiritual Perspectives/Physical Perspectives.” In addition, staff from various locations came together to march in the Cincinnati Pride Parade.

Physical therapy student rotation collaboration with Cleveland State and the Greater Akron Home Health & Hospice team: In May of 2018, clinical instructors and the center coordinator for clinical education collaborated with Cleveland State’s physical therapy program to complete a second year Doctorate of Physical Therapy student’s clinical rotation. We created a home care clinical rotation binder with modules to serve as a starting point for key home care topics including Oasis, geriatric assessment, fall prevention, durable medical equipment and communication. These modules also coincide with additional learning opportunities such as shadowing other disciplines, co-marketing with our liaisons, journal presentations, and promotion of the Ohio Physical Therapy Association’s East Central District Student Symposium, where students are able to present on a case from their home care experience.
Little Things Mean a Lot to Grateful Hospice Patients

Sometimes it’s the little things that bring joy in making wishes come true for hospice patients; small, compassionate gestures that happen every day. The staff and volunteers of Ohio Living Home Health & Hospice regularly look for opportunities to bring comfort, joy and every-day kindnesses into their patients’ lives. They listen and they learn about the little things that still bring joy… then they do whatever they can to make it happen!

**Mom gets FaceTime surprise.** A patient was disappointed that her daughter would miss her 89th birthday. So staff in Greater Akron coordinated efforts and set up a FaceTime connection so the two could celebrate together!

**Columbus man craves mac & cheese . . . and Motown!** A Greater Columbus volunteer knew her patient longed for mac & cheese, collard greens and cornbread. So she went to the North Market, picked up his favorites, then joined him for dinner while they listened to his favorite Motown records.

**Raised garden bed brings joy to patient.** Eugene Bates was an avid gardener but could no longer bend down to care for his plants. So the Greater Cleveland hospice team put together a raised garden bed that lets him enjoy his favorite hobby once again.

**Animal lover cuddles critters at local shelter.** The Greater Toledo region made Betty Liebert’s day when she got to visit, pet and “love on” dozens of cats, dogs and furry friends at the local animal shelter.

**Impromptu art show for painter.** Patient James Walsh was thrilled when Greater Cleveland staff put together an art show to share his beautiful paintings. Family, friends and fellow residents attended the event to show their appreciation for his work.

**Mom and daughter keep gospel group musical tradition.** Hospice patient Norma McCartney and her daughter, Barbara, had been to several Booth Brothers concerts over the years. Thanks to the Greater Akron team, the ladies were able to enjoy one last sold-out concert together.

**Patient arranges birthday surprise for caring wife.** Patient Charles “Gene” Hill had a unique birthday wish – he wanted his wife to have a night to remember. Staff from Greater Toledo arranged a luxury Town Car ride to Red Lobster for wine and coconut shrimp (her favorite!)

**Patient visits favorite restaurant for final birthday.** Miss Molly’s Tea Room was a favorite for Clark Stauffer and his wife, and he continued to visit after her passing. Clark wanted to visit the restaurant one last time, so the Greater Akron team set up a birthday lunch and he drove himself to the party for his favorite meal of beef barley soup.
A Certified Great Place To Work

A great workplace is where you TRUST the people you work for, have PRIDE in what you do and ENJOY the people you work with.

After considering more than 2,000 employee surveys from across Ohio Living’s locations, the Great Place To Work Institute has honored Ohio Living with certification as a Great Place To Work! This independent research and consulting firm evaluated more than 60 elements of team members’ experiences on the job, from employee pride in the company’s community impact, to believing their work makes a difference, to their levels of trust and camaraderie. The result? An astounding 84% of Ohio Living employees agree that their workplace is GREAT!

“The Great Place To Work endorsement validates the reality of what I see and hear each day: Employees feel empowered to create and live their personal and professional mission and values. We are imperfect, but perfectly real about wanting to grow and be better in all ways. We are thankful for each and every teammate, and together – we are Living It!”

Dana Ullom-Vucelich | Chief Human Resources & Ethics Officer

94% This is a physically safe place to work.

93% People here are treated fairly regardless of their sexual orientation.

90% My work has special meaning: This is not “just a job.”

90% I feel good about the ways we contribute to the community.

90% When you join the company, you are made to feel welcome.
OSU Marion Honors Ohio Living Team for Outstanding Achievement & Excellence

In May 2018, Ohio Living was honored for Outstanding Achievement & Excellence from the Alber Enterprise Center at The Ohio State University at Marion. Our organization sponsored a team of staff members to participate in the Elder Care Certificate (ECC) pilot program – a grant-funded, professional development program for front-line direct care employees. The result of this pilot was that participants felt valued, which can lead to improved morale and less employee turnover. Additionally, participants indicated they gained a better understanding of the aging population that they regularly serve – and that’s a win-win for all concerned.

“We are always looking for ways to meaningfully invest in each team member to maximize the employee experience and the experience of those we serve,” said Dana Ullom-Vucelich, Chief Human Resources & Ethics Officer. “This was a chance for our direct care team not only to learn and compete, but also to shine. And shine they did!”

Congratulations to our hardworking team for this outstanding recognition.

Working with Integrity

Our commitment to ethics and compliance goes beyond adhering to the laws and regulations that govern our work. We promote a culture of integrity and respect that enables us to maintain our high standards of quality care and services.

One way we keep our ethics philosophy in front of our employees is through our Living with Integrity newsletter, which can be found on our organization’s Intranet. We celebrate our employees’ stories of excellence and inspiration, and provide compliance education on a regular basis.

Ten of our locations earned a LeadingAge Ohio Employer of Choice distinction. Congratulations to Ohio Living Dorothy Love, Lake Vista, Mount Pleasant, Swan Creek, Vineyard on Catawba and Westminster-Thurber, as well as our Ohio Living Home Health & Hospice offices in Greater Cleveland, Columbus, Toledo and Youngstown.

We are proud to have not one, but THREE Winners for 2018 – Ohio Living Home Health & Hospice in greater Akron, Cleveland and Youngstown.

This awards program, sponsored by ERC, honors 99 great workplaces for top talent in northeast Ohio. Kudos to our staff for this highly-coveted award.

We celebrate our employees’ stories of excellence and inspiration, and provide compliance education on a regular basis.
A Great Place To Serve

At Ohio Living, we take pride in caring, sharing and giving back. That’s why we’re so proud of our employees and the social accountability they show throughout their communities year after year! From volunteering for fundraising efforts, to partnering with local businesses, to hosting wellness and worship classes . . . Ohio Living employees went above and beyond, finding new ways to reach out and make a difference to the people and communities they care about.
Life Plan Communities

Ohio Living Breckenridge Village
- Alzheimer’s support group
- Hearing screenings
- Red Cross blood drives

Ohio Living Cape May
- “Opening Minds through Art” with Wilmington City Schools
- “Music & Memory” with Wilmington High School
- Wilmington College Lifelong Learning classes

Ohio Living Dorothy Love
- Provided food for retired teachers’ luncheon
- AARP safe driver class
- “Effective Doctor Appointment” luncheon

Ohio Living Lake Vista
- Provided food for the Warren Mission Thanksgiving & Christmas dinners
- Hosted YSU nursing students
- Home for Kids, Inc. and Dr. Seuss Readers
- Lectures with Trumbull and History of the Barn Quilt Trail

Ohio Living Llanfair
- Donated food for the College Hill “National Night Out” community event
- Provided Lifeline screenings for the community
- Bake sales for Alzheimer’s Association
- Raffle for “Walk to End Alzheimer’s”

Total Financial Impact $22,838,506

The information below illustrates the total financial impact of Ohio Living’s community benefit. Each dollar represents our commitment to every community we serve.

Health Care & Assisted Living
Medicaid Charity = $18,603,159
Medicaid is the state of Ohio’s health care funding source for low-income individuals. The dollars in this line item represent the difference between the cost of care at Ohio Living health care and assisted living centers, and the Medicaid or Medicaid Waiver reimbursement for that care.

Life Care Commitment = $3,585,511
The Life Care Commitment, with the help of charitable support from the Ohio Living Foundation, assures all Ohio Living residents that they will always have a home even if – in good faith – they run out of the funds meant to see them through.

Honorable Service Grants = $10,950
We have instituted a program to honor the service of long-standing church workers and those with military service. This program provides significant discounts on fees for apartments and homes at Ohio Living life plan communities.

Ohio Living Home Health & Hospice Charity = $16,484
Ohio Living Home Health & Hospice offers a number of home- and community-based services to adults. We work with Passport, local levies, Title XX, United Way, Title III and numerous other funding sources in order to make services available to people of all income levels. The dollars depicted in this line represent the difference between the cost of providing these services and the reimbursement received.

A Great Place To Give

After 36 years and more than $240 million in contributions, the Ohio Living Foundation continues to innovate and provide philanthropic support to Ohio Living. The Foundation’s dedicated team works closely with residents, families and community members to encourage support for the programs and services that impact the lives of the people we serve every day.

At the close of the fiscal year, the Foundation had over $47 million in invested endowment. Additionally, the investment committee of the Foundation board oversaw a portfolio in excess of almost $92 million, which includes the Ohio Living board-designated fund.

The Ohio Living Foundation Warmly Welcomes Dan Ginis as Chief Development Officer

Dan comes to us with more than 25 years of strategic leadership experience, having served in senior management roles at the Michigan Humane Society, University of Michigan, Jewish Federations of Greater Atlanta and Metropolitan Detroit, and the Detroit Symphony Orchestra.

“After an extensive search, we have found Dan to be uniquely qualified to handle the complexities of our Foundation, as well as the ability to seize new opportunities for the future,” said CEO Laurence Gumina. “I’m excited that Dan is on board to continue the great work of the Foundation and successfully lead it into the decades ahead.”

Dan brings a wealth of knowledge and expertise to his new role, having revitalized underperforming major gift programs, led capital campaigns that exceeded their goals, managed major gift portfolios, enhanced volunteer and board leadership capacity and integrated several departments into cohesive teams.

Please join us in welcoming Dan to the Ohio Living family.

Dan Ginis
Chief Development Officer
Caring Fund Offers Support for Employees

Our employees give from their hands and hearts to help others every day. And sometimes they might need a little help of their own. Ohio Living has established the Caring Fund to offer financial assistance to employees experiencing hardship through no fault of their own. Donor support is helping to sustain this important program.

The statewide Hardship Assistance fund can provide up to $5,000 of support annually per person. This application-based program helps with practically anything that causes an unexpected financial hardship outside of the employee’s control. Examples include a medical emergency, natural disaster, fire, theft of property, vehicle accident, storm damages, violence/domestic abuse and more.

At the local level, the Helping Hands fund can provide immediate assistance of up to $500 annually per person. This help is for small but urgent needs that threaten life, safety or the ability to get to work (e.g., food, gas, utility shut-offs, car repairs and more.) These decisions are at the discretion of local leadership so the employee can receive help immediately.

Donors Support Campus Renovation

Donors gave more than $915,000 to renovate the first floor of Ohio Living Swan Creek’s independent apartment building. The renovations have truly transformed many of the campus’s areas including: a distinctive entry, updates to lobby and reception décor, automatic front entrance doors, modernized restrooms, a new lounge and theater, renovated art and craft space, landscaping renovations and more.

Bistro Named for Schell Thanks to Gifts

As former Executive Director David Schell approached retirement, members of the Ohio Living Breckenridge Village board wanted to attach his name to the campus in a meaningful way. David’s retirement coincided with the Encore! campaign, through which donors are funding an expansion and renovation of the Osborne Community Plaza. This space will be used to host concerts, plays, lectures and more. Another part of the plaza would be a bistro where attendees could gather during intermission to chat about the performance with friends over snacks or a glass of wine. It also would be open daily for residents and guests to meet up for a midafternoon visit.

Through their own donations and the gifts of other generous donors, the board reached their goal of $100,000 to name the bistro on David’s behalf. This was announced at the kickoff of the Encore! campaign in April 2018, and was a big surprise to David.

IMAGINE Ohio Living – Spurring Innovation!

The Ohio Living Foundation launched a new effort to spark innovation by employees. Through IMAGINE Ohio Living, donor gifts fund pilot projects to test new technologies, programs and process improvements. Employees can team virtually through our online portal, working together to improve the lives of our employees, residents, patients and families. As of June 30, 145 employees had participated, 34 project ideas had been submitted and one had been funded.

Thank You. We gratefully acknowledge our donors for their support and generosity. Every effort has been made to accurately recognize our donors. If we have made an error, please accept our sincere apology and contact the Ohio Living Foundation with corrections at 614.888.7800 or 800.686.7800.
Ohio Living does not discriminate against any person on the basis of race, religion, age, gender, gender identity, sexual orientation, disability (mental and/or physical), communicable disease, or place of national origin in admission, treatment, or participation in its programs, services and activities, or in employment.
Our mission is to provide adults with caring and quality services toward the enhancement of physical, mental and spiritual well-being consistent with the Christian Gospel.
