Ohio Living Vineyard on Catawba Resident Newsletter | August 2018

## Letter from the Administrator

As our warm and beautiful summer continues, I hope all are enjoying the opportunity to get out and enjoy. There are many nice opportunities to enjoy some fresh air, friendship and camaraderie here on our campus as well as in the greater community. Always remember to stay hydrated while outdoors and protect yourself from the sun.

Thanks to the generosity of many of you and the Harry Stensen Memorial Fund, we have met a goal of replacing the two Nu Step recumbent exercise machines in the fitness studio. Enjoy!

Due to the hard work and generosity of some Vineyard residents, our community garden has begun to bear vegetables for all to share. When the various vegetables are harvested, they are usually placed in the Community Center for any resident to take and enjoy.

For your safety and your neighbors, we ask that you please let us know in the office if you plan to be away from the community for more than 24hrs. When you are away from your home and we know about it, we can keep an eye on things. Also, in the event of an emergency, we would not be putting emergency personnel or anyone else in harm's way searching for you.

Speaking of emergencies, please update your **File of Life** that should be hanging on your refrigerator to help out if there is a medical emergency. If you do not have a **File of Life** or you need a refill of the information sheet, please let us know. We have them in the office.

Please be mindful of the 15 MPH speed limit here on the Vineyard Campus and remind any visitors you have of the speed limit as well. Safety is important to all.

If you are interested in volunteering some time on one of our many committees that help provide great programs for Vineyard residents, answering phones in the office from time to time, or just spending some time visiting with some other residents that would enjoy a visit, please inquire at the office regarding volunteer opportunities.

*Enjoy the summer!*  
**Paul**

## Campus Activities: August 2018

# Exciting News!

You can now earn even more by giving back

Effective July 1, 2018, the American Council on Gift Annuities increased rates for new charitable gift annuities (CGAs) for the first time since 2012.

What does this mean for you? It means that you can now earn even more while giving back to Ohio Living Vineyard on Catawba and other charitable organizations.

## How does it work?

- You make an irrevocable charitable donation to Ohio Living Vineyard on Catawba.
- We, in turn, agree to make fixed payments to you each year for your lifetime. *(You can have the payments benefit others, too, such as a loved one.)*
- The portion of your gift that remains after your lifetime supports Ohio Living Vineyard on Catawba.

## What are the benefits? It's simple – this opportunity:

- Helps you meet your charitable goals.
  - Provides you with tax-favored payments for life.
  - Offers immediate income tax savings (when you itemize).
- (If you depend on stock dividends for income, consider funding your gift with those stocks. That way, you'll receive income—in many cases, in higher amounts.)*

## CHECK OUT THESE SAMPLE RATES\*

Your Age	Your Rate
70	5.6%
75	6.2%
80	7.3%
85	8.3%
90+	9.5%

\* These figures are for illustration purposes only and are based on single-life annuities. Rates for two-life annuities are slightly lower, and are available upon request. Rates are recommended by the American Council on Gift Annuities, effective July 1, 2018.

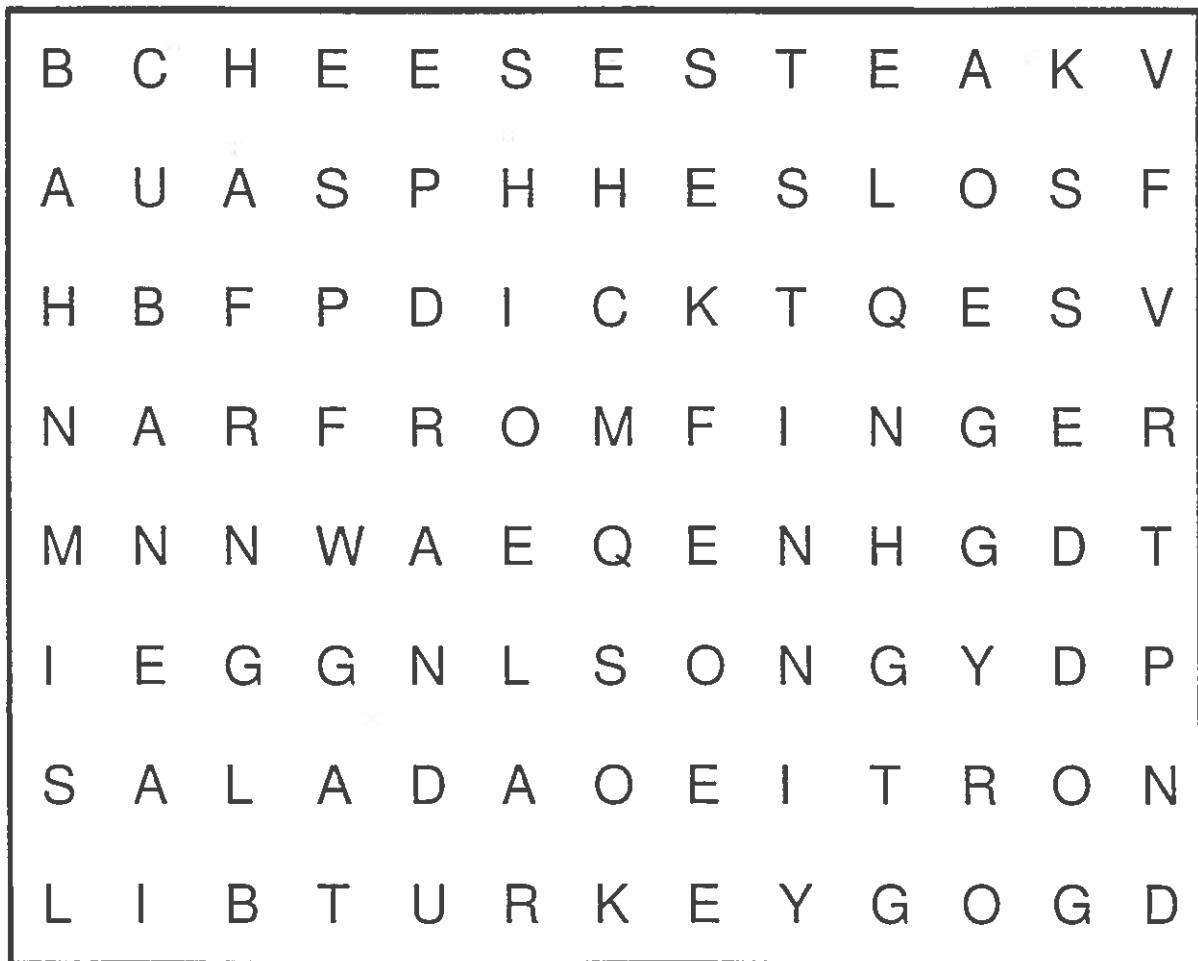

If you'd like to learn more about whether this gift could be right for you, please **call your local gift planning director, Nancy Hamilton, at 419.707.4099.**

## ***In Closing...***

***“Many hands make light work.” –John Heywood, an English Writer***

Our Community Garden is being dutifully tended to by a small (and wonderful!) group of campus volunteers. If you would like to donate some of your time for this very worthwhile cause that we all reap the benefits of, grab your shovel and come on down!

Also! Anyone interested in playing bridge, please contact Kara in the office at 419.797.3100.  
We are trying to establish a good day/time for people to play.

***In September’s Grapevine... “Resident Spotlight” returns!***
