

# Meaningful Visits

**Through the I'm Still Here Program**

**November 14, 6 to 7 p.m. in Reed Chapel**

**Light Refreshments**

---

**At Ohio Living Swan Creek, we know that loving someone with memory loss can produce unique challenges and that it can be increasingly difficult to communicate.**

**As an I'm Still Here® Center of Excellence, our staff has been specially trained in Alzheimer's disease and related dementias, communication techniques and life enrichment for your loved one. Join us for a workshop where Jean Morgan, Ohio Living's Corporate Manager of Memory Care, will share techniques to help you connect and communicate with a loved one facing memory loss, to make the most of your time together and make your visits as purposeful and meaningful as they can be.**

---

**RSVP by November 10  
to Jessica Guilliod at 419.865.4445**
